In Our Own Words

‘Notre Dame Interparochial School provides a learning environment where faith and family are central’.

Rev. Donald Sheehan, Board of Pastors

“Notre Dame has always been my home away from home and is the foundation of my religious faith and strong education”.

Brendan C. Turfan, Grade 8

“ I went to Notre Dame from Kinder-garten all the way to 8th grade.

It was the best nine years of my life.

The environment was perfect for studying, working, and growing. This school really gave me a heads up for the future.”

**Natalie Quintanilla,
Immaculate Conception, Lodi**

“We are confident that the quality of the educational experience is far more superior to what our daughter would come across in a typical public school.

An added benefit is that she will have the opportunity to be closer to our faith.”

Anna Scardigno, Parent

At Notre Dame, we realize that we must develop self-confidence in children by encouraging them to reach their potential. We strive to create a program that allows for a spiritual, intellectual, emotional, cultural, social and physical development.

“Notre Dame offers a safe and nurturing environment where students are challenged to use their God given talents and work to their potential, enabling them to become productive citizens in the future”.
